A STATE LEVEL
INTER COLLEGE TECHNO-CULTURAL FEST

ABOUT AAKRITI

"Aakriti" is a state level intercollegiate techno-cultural fest witnessing a footfall of over 5000 + students for a period of 3 days. It celebrates the spirit of participation and achievement in all its glory. In Sanskrit , *"Aakriti"* means shape or form. With Aakriti we aim to bring about feelings of fraternity among today's youth and we wish to achieve this by participation of students in diverse events. Aakriti provides a platform to innovate, create and amalgamate not only their technical know-how but also their cultural and traditional knowledge.

Aakriti

1. PAPARAZZI

Don't be you!

This is a solo event . You are supposed to enact the antics of the celebrity given to you on the spot. Mock interview of your character will be conducted. You are required to think on your feet and perform your best under the given stressful environment. Are you ready for this nerve-racking event ?

2. GRAPHITE GLIDER (SKETCHING)

Do it with passion or not at all!!

If you are passionate about sketching and if that helps to bring the creativity out in you then Graphite Glider is the event for you. You are required to put down your imagination on the paper and express your view of art. This is a solo event.

3. BRUSH ATTACK (FACE PAINTING)

Paint with Pride!

Brush Attack is a solo event. Human face will be your canvas, transform it and make people stare in awe ! The theme of this event is Save Environment. We are certain you will enjoy doodling on your friends' faces.

4. AAJA NACHLE (SOLO DANCE)

Ignite your dancing flame!

Life is better when you dance and with Aaja Nachle we are providing you a platform to show us all your dance moves. Express your emotions by igniting the flame of passion in you. Come Dance.

5. KOLAM (RANGOLI)

Join dots of your Imagination!

When you can't express it in words, say it with Rangoli. Join your dots of imagination and we assure you that you will enjoy taking part in it.

6. C.G.F (SHORT MOVIE) ✸

Cinema touches nerves you have absolutely no control over.

Team up and make an impact. Let your actions speak louder than words.

7. SARGAM (SOLO SINGING)

Your Voice, Your Identity!

Those who wish to sing, always find a song. If you have that song which you think will strike the right chords and will make its way through the audience's heart then here's a chance for you. Come participate in Sargam and let your soul sing.

8. DUMB SHALL ACT (DUMB CHARADES)

Stay Dumb To Play Smart!

This one's a classic family and friends entertainer game. You are required to form a team of two and while one enacts ,the other has to guess it. Simple as it sounds but of course with some amazing twists planned by the coordinators of this game. We are sure this one's going to be a delight to play.

9. TAAL SE TAAL (DUET DANCE)

MESMERIZE US WITH YOUR DANCING CHEMISTRY!!

Happiness is finding your perfect dance partner and if you have found one then let us watch you sway to music with Taal se Taal.

10. MILE SUR MERA TUMHARA (DUET SINGING)

LET THE MUSIC SPEAK!

Because two are better than one. Harmonize with your singing partner and fascinate us with your singing. Create symphonies like never before.

11. SYMPHONY(ANTAKSHARI)

Hear it, see it ,guess it!

Symphony , a spoken parlor game played in India. Each contestant sings the first verse of a song that begins with the consonant on which the previous contestant's song selection ended. Brace yourself, this game consists of various rounds where the participants have to quickly guess the names of the movies, celebs and singers. This is a team event and we are sure you are going to enjoy participating in this.

12. BALLYHOO (MAD-AD) ✴

Meet your customers wherever they are!

Be crazy as you can, selling your product is your sole aim. In Ballyhoo, a team of students can create a marketing plan including creating a full-fledged campaign of their product or service. You can act out a TV/radio script or simply present your act. Go advertise !!!

13. FASHIONISTA (COSTUME CREATION) ✦

Let your Fashion Speak!

Fashion can do a lot. Fashion is very popular, so it can help broadcast a message and reach a new generation. Design the best outfits and leave your mark. This is a solo event and the theme is Nature Inspired Fashion. You have to create your designs on paper and present them creatively.

14. KHALNAYAK (MIME) ✦

Let your Actions speak Louder than your Words.

Mime is the art of demonstrating an action with an object that doesn't exist. Silent theatrical event in which participants will use the technique of expressing an idea, mood, or portraying a story or series of the event entirely by using gestures and body movements without the use of words! The theme for the event is Social Awareness.

15. REEL KARO FEEL KARO
DO IT FOR THE REELS!

Stories come to life when they get a chance to get on screen. So, feel free and bring out the creative geek in you by combining your pieces of ideas and make it happen in real life.

16. EAT-O-METER (FOOD EATING CONTEST)
EAT ALL YOU CAN!

Eat-o-Meter is a competitive eating or speed eating competition in which participants compete against each other to eat large quantities of food, in a short time period. If you are a foodie and have a great appetite then you must participate in this.

## 17. WHAT'S COOKING (FOOD FEST) ✴

The Finest Flavors Explored!

"What's Cooking" is cooking without fire. If you consider yourself as the masterchef of your college and got good taste buds then this is the event for you. This is a team event, therefore team up with the best chefs among your peers and explore the foodie.

18. FRAME IT ! (PHOTOGRAPHY)

Don't shoot what it looks like, Shoot what it feels like!

Photography is blending the right amount of light, colour and tones into a single frame. Such talents are rare and need to be encouraged. So why not showcase your photography skills in this Aakriti?

ABOUT OUR COLLEGE

Canara Engineering College (CEC) is a premier engineering institute in Mangalore region. CEC is established by the Canara Group of Institutions (Canara High School Association) founded by the late Ammembal Subba Rao Pai (1852-1909). The college is affiliated to Visvesvaraya Technological University, Belgaum, recognized by Government of Karnataka and approved by AICTE, New Delhi.

Canara Engineering College is run by Canara High School Association (CHSA), an association based in Mangalore contributing towards Konkani linguistic minority education. The group was founded by late Ammembal Subba Rao Pai (also founder of Canara Bank) in 1891. Ammembal Subbarao Pai was a social reformer and a philanthropist who aimed at imparting modern education blended with ancient cultural values to the youth of Dakshina Kannada. With this in mind he started the Canara High School Association with its primary project being the Canara High School, which was established in 1891 and functions even today. The group which is now primarily funded by alumni, also runs several other educational institutions in and around Mangalore.

OUR INSTITUTIONS

The name Canara High School Association has a long history of educating generations from the past 128 years. Canara High School Association Founded by the great visionary Ammembal Subba Rao Pai, way back in 1891.
